

FEED THE HUNGRY SPONSORING REQUEST

Thank you for considering Feed the Hungry as a beneficiary of your event. We appreciate your support of our mission to improve the health and wellbeing of children in San Miguel de Allende.

In the interest of a clear definition and mutual understanding of the undertaking, we ask that you provide the following information and return the Sponsoring Request to your Feed the Hungry representative, or to contact@feedthehungryma.org. If the Request is approved we will provide a Letter of Agreement to be signed by Feed the Hungry, A.C. and the Requestor, to serve as an official authorization for both parties to proceed with promoting Feed the Hungry as an event beneficiary.

Please note that we reserve the right to approve the use of our name and logo in any promotional material; we will provide assets and usage guidelines upon request. We do not provide our donor mailing list, however, at our discretion we may choose to help promote the event through Feed the Hungry communication channels, such as our website, newsletter, mailings, or social media.

This Agreement has been developed as a result of a Feed the Hungry, A.C. Board of Trustees directive designed to protect the rights and reputation of Feed the Hungry, A.C.
